Sunday, September 13 - Orlando

This morning you and your family will get to experience the Kingdom of Arendelle - privately and in person. Your VIP Disney host will take you to a private room that has been transformed in to this magical 'Frozen' world of Princesses Anna and Elsa. Your experience will last for two hours and will include a private 30 minute performance by the princesses just for you.

The room will be decorated to look like Arendelle with snowflakes and other wintry decor.

After the performance, you will be served a delicious and sumptuous breakfast on a table that will also be decorated Frozen- style with 'Frozenappropriate' food. Finally, we will also organize a fun face painting activity and a Frozen game to round off this magical morning.

This afternoon, you will have the opportunity to visit one of the other Disney parks by yourselves. We would of course be willing to organize VIP guiding for your family (not included in the quote).
